RE: COVID-19 Intubation OTN Webcast Session

---

Please be informed that we will be broadcasting an OTN session today regarding the proper intubation procedure for patients with COVID-19.

The Event ID for the session is 168800314. Dr. Yen Chow will demonstrate the technique.

Current recommendations for Personal Protective Equipment (PPE) will be demonstrated for regular patient care versus patients on high flow oxygen or requiring intubation.

There will be an opportunity for questions and answers at the end of the session. This session will be recorded and accessible for viewing later.
