

# COVID-19 DAILY SITUATION REPORT

Thunder Bay Regional  
Health Sciences  
Centre

**Sunday, April 19, 2020**

## COVID-19 Status

Tests performed yesterday (Assessment Centre and in Hospital)	Tests Performed total (Assessment Centre and in Hospital)	Presumptive Cases in Hospital	Positive Cases in Hospital	Positive Cases in ICU	Patients in COVID-19 Care Unit	Hospital Capacity
62	1017	21	3	2	9	64.9%

Thank you for continuing to support our Hospital's PPE conservation efforts through the collection N95 masks. N95 masks that have been saved for reprocessing will be picked up in your department and stored for reprocessing. Please DO NOT bring them to the Medical Device Reprocessing Department (MDRD). Preliminary approvals have been provided by Health Canada and further work is taking place to finalize procedures. More information will be shared once it is confirmed.

Staffing levels remain stable. 34 staff remain off work until test results are confirmed. In addition, 7 staff members are off and self-isolating due to potential exposure from a patient. The health and safety of all staff, professional staff and patients is our utmost priority. Occupational Health & Safety will identify and recommend in-house testing for staff based on individual circumstances.

Staff and professional staff continue to go above and beyond the call of duty throughout the evolving COVID-19 pandemic. Please show your appreciation by sharing a 'Thumbs Up' about a fellow staff member for their dedication to patient care during these challenging times. To submit, please provide your name, your fellow staff member's name and the reason why you're giving them a 'Thumbs Up' to [tbrhscgroupsnews@tbh.net](mailto:tbrhscgroupsnews@tbh.net). Submissions will be posted on the Daily Informed Newsletter for inspiration and recognition of everyone's continued commitment and professionalism.

Our Hospital continues to provide the community with regular updates and important information regarding our response to the COVID-19 pandemic. Please help us keep our community informed by following and sharing Hospital updates on [Facebook](#), [Twitter](#), [Instagram](#), [LinkedIn](#) and [YouTube](#).

All previously issued COVID-19 Daily Situation Reports are available at <https://comms.tbrhsc.net/covid-19-information/past-daily-updates/>.

Staff are also strongly encouraged to view the Daily Situation Report videos available at <http://tbrhsc.net/covid-19-information> or [www.youtube.com/tbrhsc](http://www.youtube.com/tbrhsc).
