

COVID-19 DAILY SITUATION REPORT

Thunder Bay Regional
Health Sciences
Centre

Thursday, June 18, 2020

COVID-19 Status as of 3:00 pm

Tests performed yesterday (Assessment Centre and in Hospital)	Tests Performed total (Assessment Centre and in Hospital)	Presumptive Cases in Hospital	Total Positive Cases in Hospital	Positive Cases in ICU	Patients in COVID-19 Care Unit	Hospital Occupancy
214	8494	16	3	0	4	81.9%

More patients are now accessing services at our Hospital. It is important that patients enter through doors where patient screening can occur. For most, this is the West main entrance. However, many patients are not aware of which doors to use. As you enter through employee doors (such at the Cafeteria Doors or the employee entrance to the right of the revolving door at the main entrance), please be mindful of patients behind you and direct them to the West entrance. Your assistance ensures patients are screened prior to entry and protects everyone in our Hospital. Please note that Patients who require emergency care are screened at the Emergency Department entrance, and Labour & Delivery (L&D) patients are screened at the L&D doors.

All previously issued COVID-19 Daily Situation Reports are available at <https://comms.tbrhsc.net/covid-19-information/past-daily-updates/>.

Please forward any questions/concerns to your supervisor.

For questions about COVID-19 testing criteria, please contact the TBDHU's Infectious Disease Program at 807-625-5900 or toll free at 1-888-294-6630.
