

# COVID-19 DAILY SITUATION REPORT

Thunder Bay Regional  
Health Sciences  
Centre

**Wednesday, June 24, 2020**

COVID-19 Status as of 12:50 pm

Tests performed yesterday (Assessment Centre and in Hospital)	Tests Performed total (Assessment Centre and in Hospital)	Presumptive Cases in Hospital	Total Positive Cases in Hospital	Positive Cases in ICU	Patients in COVID-19 Care Unit	Hospital Occupancy
155	9461	27	4	0	7	86.3%

As we are gradually resuming Hospital services, we are pleased to welcome back our staff who have been working remotely. We will implement this return to work in the same safe and incremental manner as our service resumption. Please see today's memo for the schedule. The timing supports our recovery of services, ensuring that leaders and staff are on site to provide support. It also helps to ensure an adequate level of on-site coverage for vacation schedules.

Additional adjustments in various areas are expected in response to the evolving situation and gradual reopening of the province. As decisions are confirmed by the Incident Management Team, information will be provided.

Constant change can be stressful. Please refer to the iNtranet for a list of several internal and external support resources available to you. Also, Namaste with Dave is back and now offered virtually every Tuesday. Manage your stress and build more balance into your life by taking a few moments to relax and rejuvenate with a guided relaxation class. Please contact Amanda Walberg at walberga@tbh.net for more information or to pre-register.

All previously issued COVID-19 Daily Situation Reports are available at <https://comms.tbrhsc.net/covid-19-information/past-daily-updates/>.

Please forward any questions/concerns to your supervisor.

---

For questions about COVID-19 testing criteria, please contact the TBDHU's Infectious Disease Program at 807-625-5900 or toll free at 1-888-294-6630.
