Advancing Stroke Prevention Care in Canada: Highlights from the 2021 CSBPR Update, 7th Edition

Wednesday, March 3rd, 2021 0800-0900h

Objectives: Upon completion, participants will be able to:

1. Identify emerging evidence in the area of secondary stroke prevention
2. Describe new and updated recommendations in the 7th edition of the CSBPR Secondary Prevention of Stroke module
3. Discuss implications of the updates in current clinical practice
