

THOUGHT LEADER SPOTLIGHT

A Strategic Plan clearly lays out a meaningful and achievable future state. The Strategic Plan 2026 will be a bold and innovative plan to guide our Hospital and Health Research Institute for the next five years. In preparation, we have engaged nine thought leaders in the health care industry to inspire hope, creativity, and innovation.

Shirlee Sharkey

President and CEO of Saint Elizabeth Health

Shirlee is the President and CEO of Saint Elizabeth Health (SE Health), a national social enterprise that shares its knowledge, provides the best care, and helps each client to realize their most meaningful goals for health and well-being. Under Shirlee's leadership, the not-for-profit charitable organization has enjoyed exponential growth

and expansion, and facilitated transformative solutions in areas such as Indigenous health, end of life care, and family caregiver wellness. Today, SE Health provides care for more than 20,000 Canadians in their homes and communities daily through its national care team of over 8,000 health professionals.

To learn more about Shirlee Sharkey and to be inspired about the possibilities and how they can be applied to what we do at TBRHSC and TBRHRI.
