

COVID-19 UPDATE

Keeping You Safe

To: All Staff, Professional Staff, Volunteers, and Learners

From: Amanda Björn, Executive Vice-President, People, Culture, & Strategy

Date: June 4, 2021

RE: **Return of Select Volunteer Services**

In alignment with our Recovery Plan, which includes the Volunteer Services Recovery Plan, since the Hospital has changed its internal response level from Gray to Red, and since the province-wide stay-at-home order has ended, Senior Leadership Council (SLC) has approved the following Volunteer Services (from stage two of the Recovery Plan) to return to on-site service effective immediately:

- Surgical Day Care Volunteer
- Cancer Centre Volunteer
- Ambulatory Care (Bundles) Volunteer
- Endo/SDC Chart
- Pre-Admission Volunteer
- OR Liaison Volunteer (OR Family Waiting Area)

In addition to these roles, SLC also approved that Adult Mental Health Volunteers return to on-site service, as well as a new Vaccination Clinic Volunteer role to assist in the Vaccination Clinic located at the Bora Laskin Building.

As per the Provincial Roadmap to reopen, SLC also approved the re-opening of Seasons Gift Shop and returning Gift Shop Volunteers. Seasons Gift Shop is scheduled to reopen to customers beginning on Monday, July 5, 2021, weekdays from 9:00 am to 4:00 pm.

Please join me in welcoming back these dedicated volunteers who make such a difference for patients, family members, and staff.
