RE: Announcement – Retirement of Sheila Prus, Biochemistry Coordinator

---

Please join us in celebrating Sheila's retirement:

- Date: September 2<sup>nd</sup>, 2021
- Place: Auditorium B
- Time: 11:15 am to 1:15 pm
- Treats: Cake, Tea & Coffee
- Maximum Room Capacity: 40 individuals (will be monitored)

Sheila was born and raised in Fredericton NB, the youngest of 5 children. She graduated from New Brunswick's School of Medical Technology in 1975, when after such time Sheila held various jobs, ultimately moving to Thunder Bay, Ontario in 1981 to attend Lakehead University where she obtained her HSc in Medical Laboratory Sciences and her BEd.

Throughout and since that time, Sheila's career spanned working at McKellar General Hospital, the Port Arthur General Hospital and subsequently here at the TBRHSC, where she became the Biochemistry Coordinator in 2012.

Sheila has had an accomplished career and contributed a great deal of expertise to her profession. She has seen a complex scientific department through a great many changes. She has been instrumental to ensuring compliance to accreditation standards and quality patient care, setting the bar high.

Please join me in congratulating Sheila on this accomplishment – 45 years working in the field of Medical Technology. She is highly respected and will be greatly missed by her peers. We wish Sheila all the best, always!
