

# Internal Medicine Rounds

**Role of Prophylactic Antibiotic in Treatment of Aspiration Pneumonitis**

**Presented by: Dr. Ashraf Shaban**

Tuesday September 7, 2021

Zoom Invite 1630 – 1730

Objectives: Participants will be able to: 1) understand when to start treatment for aspiration pneumonia, 2) review the risk factors for developing aspiration pneumonia, 3) understand the risk versus benefits of treating aspiration pneumonitis.

*“The Department of Internal Medicine Monthly Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.”*
