

# Pregnancy and Infant Loss (PAIL) Network Virtual Compassionate Care Workshop

Join us for a FREE one day virtual workshop focused around providing compassionate care to bereaved families who experience the loss of a pregnancy or death of their infant.

This educational session covers many topics, including; attachment, grief, memory making, cultural safety, what to say/what not to say, pregnancy after loss, caring for the caregiver, and family-centered care. We also invite a panel of family members to answer questions about their lived experience with loss and what it means to receive compassionate care.

Participants leave with a list of supports and resources, as well as practical skills, tools, and techniques to provide skilled and compassionate care to grieving parents and families.

## Important Notes:

- The Pregnancy and Infant Loss Network offers FREE Compassionate Care Workshops to health and service professionals who are either employed by a government funded organization or who are members of a licensed, regulated profession in Ontario.
- The workshop will be presented over Zoom, and you will be expected to join from a computer with both video and audio capabilities. If you do not have a computer at home or through your employer with these requirements, please indicate this during registration.
- Each attendee must register separately. Confirmations and updates are automated by the event management system, EventBrite.
- In an effort to maintain a safe environment for family panelists, educators, and participants with a lived experience of loss, we ask that anyone joining from home mute their video and audio if any babies will be in camera view.
- If you have any additional questions about this workshop, please email [megan.fockler@sunnybrook.ca](mailto:megan.fockler@sunnybrook.ca)
