Memorandum

To: All Meditech Users
From: Information Services
Date: September 27th, 2021
Re: Meditech Update Project – Upcoming Go Live Oct 2021

As previously communicated, our region is scheduled to receive an update to our shared Meditech system mid October 2021. This update will impact the LIVE Meditech environment for all 13 hospitals in the Northwest, and will bring us from our current Meditech C/S 5.67 PP35 version to 5.67 PP41.

The update is tentatively scheduled for the early morning hours of Wed Oct 13th, 2021, with an anticipated downtime of approximately 5-6 hours to complete this change.

From a change management perspective, the TBRHSC/SJCG IS/IT team is nearing testing completion and expects little to no changes to existing workflow and functionality from this update, with the exception of additional software controls to further restrict the ability to print from Meditech. In cases where there is a workflow change expected from this update, direct communication will be shared to Managers of those impacted. Please contact the Help Desk if you have any questions.

A final project communication will be shared in early October, with a formal Meditech Downtime Notice that includes the confirmed date and time that the Meditech system will be unavailable.

Informatics Mission: Inform. Enable. Transform.

Thunder Bay Regional Health Sciences Centre is a leader in Patient and Family Centred Care and a research and teaching hospital proudly affiliated with **Lakehead University, the Northern Ontario School of Medicine and Confederation College.**

Le Centre régional des sciences de la santé de Thunder Bay, un hôpital d'enseignement et de recherche, est reconnu comme un leader dans la prestation de soins et de services aux patients et aux familles et est fier de son affiliation à l'**université Lakehead, à l'École de médecine du Nord de l'Ontario et au collège Confédération.**
