

COVID-19 UPDATE

Keeping You Safe

To: All Staff, Professional Staff, Volunteers and Learners

From: Dr. Peter Voros, Executive VP, Patient Care Programs, Regional VP, Cancer Services, North West Regional Cancer Program

Date: October 8, 2021

RE: **In-Person Meetings at Our Hospital**

Throughout the COVID-19 pandemic, staff meetings at our Hospital have been conducted virtually via Webex. Only essential in-person meetings have been permitted, with participants following physical distancing and masking guidelines.

With many staff returning to work on site, staff vaccination rates at approximately 95%, and the low number of positive cases in our community, our Hospital will be supporting the revival of in-person meetings in alignment with our Internal Pandemic Response Level:

- Able to meet in-person at full capacity as long as distancing of 2 metres can be met.
- If distancing cannot be met, mask and goggles are required.
- Meetings must not take place around the hours of 11:30 AM to 1:30 PM, for those assigned as overflow meeting rooms.
- Meeting rooms as overflow lunch and break rooms from 11:30 AM to 1:30 PM

- No in-person meetings, unless essential. If the meeting is essential, physical distancing of 2 metres must be maintained.
- If distancing cannot be met, mask and goggles are required.
- Meeting rooms as overflow lunch and break rooms from 11:30 AM to 1:30 PM

All Hospital COVID-19 updates and resources are available on the iNtranet at <https://comms.tbrhsc.net/covid-19-information/>.
