

In preparation for our Sharing and Caring Together celebration, we would like to invite you, our dedicated staff, to participate by submitting patient stories that showcase how you, your unit or department have exemplified Patient & Family Centred Care.

Share Your Stories

Submit your stories by creating a 2 - 3 minute video, picture with audio or written description,

PowerPoint presentation or other creative representation to <https://tbh.net/sct>

by October 11, 2021. Your submission will be displayed in our virtual Sharing & Caring

Together Exhibition and your name(s) will be included in the prizes draw.

Patient & Family Centred Care

**Sharing
& Caring
Together**

*Making a Difference in the
Experience of Care*

Over the past twelve years, the Hospital's dedication to health care improvement has generated many great ideas, initiatives and changes throughout our organization, leading to a better experience for our patients and care partners.

**Tuesday, October 12th -
Saturday, October 16th**
