Bring the Resolute Save a Heart Ball home this November

(Thunder Bay, ON) – Although the annual Resolute Save a Heart Ball cannot happen in person this year, the Thunder Bay Regional Health Sciences Foundation has teamed up with the Victoria Inn to bring the event home to you in the form of a take-home dinner. On November 20, 21, 27 and 28, you can order ahead and enjoy a ball-quality meal to go. Plus, Resolute Forest Products has also generously agreed to match donations to the Our Hearts at Home Cardiovascular Campaign, up to \$10,000.

“We have been the title sponsor of the Save a Heart Ball since 2016, and while we can’t have an in-person event this year, we still know that our donation will help make a difference to local healthcare and help bring full cardiovascular surgery to Thunder Bay,” said Kent Ramsay, General Manager, Pulp & Paper Mill, Resolute Forest Products. “We are challenging the community to donate to the Our Hearts at Home campaign, and we will match donations up to \$10,000!”

The take-home portion of the event is a special four-course menu that has been carefully curated by the Victoria Inn. A meal kit for two is \$75, and includes everything you need to prep a gourmet meal in the comfort of your own home. On the menu includes a Roasted Pear Salad, House Rolled Ricotta Gnocchi, Stuffed Supreme Chicken and a Molten Chocolate Cake with Berry Coulis. You can reserve your meal at healthsciencesfoundation.ca/meal and choose from four pick up dates in November.
