

Preceptor Educator Workshop

Thunder Bay Regional Health Sciences Centre is looking for nurses interested in obtaining education on how to be an effective preceptor or mentor to students and new staff.

You will learn:

- How to create goals collaboratively with your learner
- How to support a learner with difficulties
- How to ensure the learner and preceptor have a positive learning/teaching experience
- How to provide effective & constructive feedback

This course is being offered at
Thunder Bay Regional Health
Sciences Centre:

Tuesday, April 26th at 0830-1230
Location: TBRHSC 3rd Floor, Auditorium A

For more information please contact:

Brittney McLaughlin, Interprofessional Educator at mclaughb@tbh.net or ext. 6977

Martin Sabourin, Nursing Practice Leader, Nursing Practice at sabourim@tbh.net or ext. 6421

With a high volume of nurses who are interested in attending the preceptor education workshop, we have an obligation to ensure that there is an equitable opportunity for everyone who wishes to attend to have the chance to do so.

Respecting that there is currently one workshop per month and a limited number of available spots, we are kindly asking that you notify Ashley Chiew (chiewa@tbh.net) a minimum of 72 hours in advance if you are not able to attend. This will give other staff who are on the wait list to have an opportunity to take part in the workshop.
