

A message from your Human Resources Department:

DO YOU KNOW WHO YOUR EMERGENCY CONTACT IS?

Having out-of-date emergency contact information is like not having any information on file at all!

If you have had a change of address, phone number, email, or emergency contact, please let your Human Resources Department know, using the form attached. Completed forms can be sent to HR through interoffice mail, fax, dropped off in person, or emailed to humanresources@tbh.net.
