**RE: Announcement – Manager, Cardiac Catheterization Lab, Pacemaker Clinic & Visiting Clinics**

---

We are pleased to announce the appointment of **Martin Sabourin** to the position of Manager, Cardiac Catheterization Lab, Pacemaker Clinic & Visiting Clinics.

Martin holds a Bachelor of Science in Nursing (BScN) and began his career as a Registered Nurse in the Emergency Department (ED) at the Thunder Bay Regional Health Sciences Centre (TBRHSC). As a member of the Critical Care Resource Team, Martin also gained valuable experience working as an RN in our Intensive Care Unit (ICU) and Post Anesthetic Recovery Unit (PACU) before advancing to the role of Clinical Nurse Specialist (CNS) for the ED.

Since 2018, Martin has been a Nursing Practice Leader in the department of Professional Practice at TBRHSC where he has been actively involved in initiatives and ongoing efforts to develop and improve safe practice and the delivery of quality patient care across the organization.

Additionally, Martin is a member of the College of Nurses of Ontario (CNO) Council as an RN representative for the Northwest Region and participates in the disciplinary and fitness to practice committees as part of the CNO's regulatory oversight of nursing practice.

Martin will begin his new role on June 20, 2022, and will oversee the operations of the Cardiac Cath Lab, Pacemaker Clinic and Visiting Clinics with direct report to Ron Turner, Director Medicine, Renal and Cardiovascular Services.

Please join us in welcoming Martin to his new role.
