October's 50/50 Grand Prize Winner gets \$519,532 Treat

October 28, 2022

For Immediate Release

(Thunder Bay, ON) – Rebecca Maw from Kaministiquia got an early Halloween treat today. Rebecca got the call that she is the winner of the October Thunder Bay 50/50 Grand Prize draw, turning a \$75 ticket bundle into a ghoulishly great \$519,532!

This was the very first time she bought tickets for the draw. “My boyfriend had a dream he was going to win the lottery and told me I needed to buy tickets, so I did just the other day,” she said. “I know what I’m going to do with the money – expand my business and buy a house with my boyfriend like we were planning.”

Proceeds from the Thunder Bay 50/50 monthly draw go towards purchasing vital equipment and making upgrades at the Thunder Bay Regional Health Sciences Centre and its satellite programs across Northwestern Ontario. To date, over \$14 Million in prizes has been awarded to winners from across Ontario and, in turn, millions of dollars of vital equipment has been purchased for the Hospital.

“We are so thrilled with everyone’s continued enthusiasm for the Thunder Bay 50/50,” says Glenn Craig, President and CEO of the Thunder Bay Regional Health Sciences Foundation. “It seems that people either know or know of one of our jackpot winners, which makes it very real to them. And the benefits to their Hospital are very real too. In fact, we will be announcing a multi-million dollar investment very soon.”
