

Do you have a colleague who you would like to publicly recognize for their work?

Submit a

THUMBS UP

In support of our Strategic Plan 2026 priority Staff Experience, Human Resources is happy to introduce the “**Thumbs Up**” initiative! We are inviting staff to submit comments of recognition for their colleagues, which will be uploaded to our iNtranet, viewable by the organization.

Thumbs Up posts can be submitted on the main page of the iNtranet, or within the Human Resources Recognition section of the site. The posting process, as well as guidelines for posts, is attached to the submission page. Approved Thumbs Up posts can be viewed on the Human Resources Recognition page.
