

In support of Strategic Plan 2026 and our new Mission, Vision and Values, we are pleased to launch the iCare Impact Awards

iCare Impact AWARDS

*Impacting Experience
through Excellence*

2022 Voting

Have your voice heard by voting for the winners of the following award categories: Diversity, Compassion, Excellence, Innovation, and Accountability

All submitted nominations were shortlisted by our very own Patient Family Advisors.

**Voting will be open from January 16 to January 27, 2023
through the iNtranet**

Names have been redacted from all nominations to ensure winners are determined based on nomination content that demonstrates behaviours consistent with our core values.

Did you miss the opportunity to submit a nomination? Just a reminder that nominations will remain open for the full year for the awards that are being presented in February 2024. Your nominations can be submitted today by visiting the Reward and Recognition section of the HR iNtranet page.
