Re: Announcement – Manager, Information Technology Support

I am excited to announce that Cora Rouillard has accepted the position of Manager Information Technology Support as part of the shared Informatics team for St. Joseph's Care Group & Thunder Bay Regional Health Sciences Centre, effective March 13, 2023.

Reporting to myself, Cora will be responsible for providing leadership over the daily operations of the Help Desk and Desktop Support teams for St. Joseph's Care Group, Thunder Bay Regional Health Sciences Centre and the hospitals in North Western Ontario.

Cora brings more than 20 years of IT & leadership experience, evidenced by her ability to consistently exceed the expectations of our customers. We have no doubt she will continue to brilliantly represent our team as our Manager of IT Support.

I hope you will join me in congratulating Cora and wishing her the best of luck in her new role!
