

Educational Videos For Your Upcoming Surgery

In addition to what you learn from your doctors and nurses, we have videos available for you to watch at home. These videos will prepare you for your upcoming surgery.

Please watch these videos as soon as possible. Watch them as many times as you need.

You can watch the videos at bit.ly/TBRHSC-Surgery or by scanning the QR code.

In order to scan the QR code, open the camera on your phone and aim it at the QR code. You may need to press the notification on your phone screen and it will open up the web

browser with the videos.

You can watch the videos on your phone or computer. You can send the videos to your family or care partner to watch as well. If you don't speak English, you can hit the "cc" button on the video to see subtitles in other languages.

There is a survey to complete at the end of each video.

If you need help watching the videos please contact your health care team.

Thank you and we look forward to helping you have a safe, successful surgery.
