

# Celebrating Laundry & Linen Appreciation Week

## April 23-29, 2023

National Laundry & Linen Appreciation Week is an opportunity to recognize the value and hard work provided by our Laundry & Linen Department.

### Did you know?

Every week, our team delivers approximately **18,000 sheets, 13,000 pillow cases, 13,000 face cloths, 11,000 towels; 10,000 gowns; 9,000 blankets** and bedspreads, as well as various other linens throughout the Hospital for patient use.

Our washers and dryers measure approximately 9 ft tall by 9 ft wide – each with a **200 lb capacity**/ This is approximately 10 times larger than a standard household machine.

We process linens for Thunder Bay Regional Health Sciences Centre inpatient areas, Tamarack House, EMS, Cyclotron, Maternity Centre, and Confederation College.

Our Laundry team processes on average **8,000lbs** of laundry every day or approximately **2.9 million pounds** annually.

*Thank you to our dedicated Laundry team here at TBRHSC!*
