RE: Expression of Interest- Orientation to Medicine and/or Surgery

Good afternoon,

In order to support inter-unit collaboration, and facilitate the reallocation process, the organization would like provide any nurse the opportunity to be orientated to a medical and/or surgical unit. Cross-unit orientation will create opportunities for our nurses to expand their skill sets, enhance their critical thinking abilities and broaden their perspectives. Furthermore, hopefully aid in the unfamiliarity that can arise in reallocation of nursing staff.

Please connect with the following Patient Care Managers and/or Administrative Managers to discuss the opportunity to orientate on their respective units;

Patient Care Managers

Samantha Ward- 1A Medicine & Oncology, (807) 684-6093
Taylor MacKenzie- 2A Medicine, (807) 684-6657

Matt Shonosky- 2C Cardiac & Stroke, (807) 684-6939
Laura Jurimae- 3A Surgery & Endoscopy, (807) 684-6281
Alison Degrazia- 3B Surgery, (807) 684- 6287
Shelley Morand- 3C Surgery, (807) 684-6387
