Geoffrey Hudson, DPhil & Darrel Manitowabi, PhD are Associate Professors at NOSM University with research interests in the history of health and medicine.

This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the Continuing Education and Professional Development Office at the Northern Ontario School of Medicine for up to 1 Mainpro+ credit(s).

NOHHMG

The Northern Ontario History of Health and Medicine Group links students, faculty, researchers, practitioners, staff and interested individuals from across the North and beyond from a range of disciplines/professions. It is open to the public.

Learning Objectives: Demonstrate knowledge of the history of accidents. Discuss research methods, sources & results related to the history of accidents. Discuss & develop a wider critical perspective on the history of accidents that can help inform their perspectives on issues related to practice & relevant public debates.
