Time to Celebrate Education and Training

Previous Employee and Professional Staff Experience Surveys identified education and training as an area for improvement.

As an academic health sciences centre, our Hospital values professional development.

85 eligible staff members received tuition reimbursement through the Tuition Reimbursement Program, with an annual cap of \$1,000 for 2022-2023.

For more information on applying for April 1, 2023-March 31, 2024 reimbursement, please see policy HR-cba-17. Application intake will begin December 2023 and will be announced on our Daily Informed Newsletter.
