

MEMO

To: TBRHSC Director's Group, TBRHSC Managers and Coordinators

From: John Ross, Director – Patient Flow & Partnerships

Date: November 28, 2023

RE: Manager, Infection Prevention and Control Department

Please be aware that Katherine Bell, Manager – Infection Prevention and Control has returned and is available for any IPAC related concerns. Please share this with your staff.

I want to thank Hilary McIver for providing interim coverage while Katherine was away.

Hilary has returned to her regular Coordinator duties.

John Ross - Director
Patient Flow & Partnerships
