RE: Hospital-Wide Central Vascular Access Device Education

The Clinical Nurse Specialists (CNS), Interprofessional Educators and Nursing Professional Practice Leaders will be facilitating hospital-wide central vascular access device (CVAD) education during the month of December. Below are education opportunities that all clinical staff can join as part of their learning and professional development:

Education Event	Date	Time	Location
Lunch and Learn	December 7, 2023	12:00-12:45	ICP Main, Room 2178
CVAD Skill Session	December 15, 2023	12:00-14:30 (drop in anytime during this time frame)	Ibn Sina Simulation Centre, Room 3100
Roaming Education	Month of December	Intermittent drop ins	All in-patient and out-patient units

Please encourage your staff to participate in these education opportunities!

Thank you
