Foot Care Nurse Clinical

This course uses the Canadian Association of Foot Care Nurses' National Competencies for Advanced Nursing Foot Care in Canada as Clinical Performance Standards and is led by a Foot Care Nurse Educator.

- Theory course provides a theoretical foundation for nurses preparing for a career in nursing foot care.
- Clinical course provides in-class and hands-on practical experience working with people from the community providing footcare under the guidance of the Educator.
- This course (110 hours) asynchronous, an onsite clinical training (43 hours).
