RE: Resignation ~ Manager Northwest Regional Stroke Network, Neurology, Cardiac
Diagnostics & Cardiac Rehabilitation

Please join me in wishing Trina Diner all the best with her future endeavors as she moves on from her position of Manager, Northwest Regional Stroke Network, Neurology, Cardiac Diagnostics & Cardiac Rehabilitation. Trina has been a dedicated leader for many years supporting a variety of clinical areas. Trina's resignation takes effect Friday, February 2, 2024.

Jill Kuzmich, Coordinator, Cardiovascular Services, will be providing interim management support to Stroke & Neurology, Cardiac Diagnostics & Cardiac Rehabilitation Programs effective Monday January 15, 2024.

Autumn Aaviku, RN 2C Cardiology & Regional Stroke Unit will be stepping into the interim role as Coordinator, Cardiovascular Services effective Friday, January 19, 2024.

Please join me in welcoming Jill and Autumn to their interim positions. The recruitment for a permanent position is underway.
