Centre for
Health Care Ethics

SUSTAINABLE
DEVELOPMENT GOALS

Ethics and AI in Health Care in the North

- Survey current applications of Artificial Intelligence (AI) in health care.
- Introduce the ethical issues surrounding AI in health care.
- Examine the ethics of AI in health care from under a Northern Ontario lens.

**CERTIFICATE OF
ATTENDANCE AVAILABLE**

Email: CHCE@LAKEHEADU.CA

*Belong to a group intent on
shaping the future of ethics in
health care!*
