

Meet your new favourite co-worker. UKG

Easy to use

Jump right in with an easy to use secure cloud based platform.

Flexible

View your work schedule from anywhere, anytime - at work or on your personal device.

Empowering

Gain more input into and control over your scheduling.

UKG Pro Workforce Management is coming on March 25, 2024!

TBRHSC is transitioning from our legacy Staffright scheduling to a new best-in-class staff scheduling system - UKG Pro Workforce Management.

You will soon have direct access to the time and scheduling information you need, in real time. Watch for training opportunities coming soon!

Visit the UKG Pro Workforce Management Intranet page for regular updates and resources
