

The UKG Pro Workforce Application

The UKG Pro Workforce Application will allow you to view your schedule and timecard from anywhere, anytime.

You can access the application when you are at the Hospital through:

UKG Pro - HSC

The UKG Pro icon available on your Hospital workstation

The two time clocks available on the 1st Floor Staff Lounge by tapping and holding your Hospital issued identification badge

You can access the application when you are not at work, anywhere, anytime through:

The mobile application available on the Apple/Google App Store:

Apple Store

Google Play

Enter Access Code/URL: <https://thunderbay.prd.mykronos.com/> and select SSO login

Entering on your web browser from anywhere, anytime:

<https://thunderbay.prd.mykronos.com/>

Visit the UKG Pro Workforce Management Intranet page for regular updates and resources:
