RE: Announcement - Performance Improvement Consultant

I am pleased to welcome Preethika Gnananandam to the Strategy and Performance department as a Performance Improvement Consultant, effective April 22nd.

Preethika holds a Masters of Management of Innovation, Honours Bachelor of Health Studies and Honours Bachelor of Science. She comes to our team from Trillium Health Partners where she spent the last 5 years as a Senior Analyst in Health System Innovation. In this role, Preethika managed several innovation projects of various scopes and led collaborative groups in the development of metrics and data-driven strategies. Further, she identified opportunities for efficiency and optimization, providing the leadership necessary to develop and implement effective solutions. Her passion for Innovation, particularly in the healthcare context, has been a great motivator to always look for improvements in all aspects of her work that may impact patient experience.

Preethika brings diverse experience, education and skills that will be a great asset to the team as we move forward with the Strategic Plan 2026.

Please join me in congratulating Preethika on her new role!
