RE: Regional Director of Nursing Informatics – Martina Boote
North West Ontario Health Record Program Change Lead – Sondra Seibel
Senior Administrative Assistant, Regional Chief Information Officer – Jenna Grant

Please welcome back Martina Boote from maternity leave and thank Sondra Seibel for acting as the Regional Director of Nursing Informatics in her absence. Martina can be contacted at martina.boote@tbh.net.

We are pleased to announce that Sondra Seibel has accepted the role of Change Lead for the North West Ontario Health Record Program. In addition to providing coverage as the Acting Regional Director of Nursing Informatics, she brings a wealth of knowledge from her time as an Educator and Project Lead at Anishnawbe Mushkiki, her nursing career at Thunder Bay Regional Health Sciences Centre and her clinical faculty role at the Northern Ontario School of Medicine University. Sondra is a certified Change Management Practitioner and will be leading the change management plan for the North West Ontario Health Record Program. Sondra will begin her role on August 26, 2024 and can be reached at sondra.seibel@tbh.net. Please welcome Sondra to her new role!

I am pleased to announce that Jenna Grant has accepted the position of Senior Administrative Assistant to the Regional Chief Information Officer. Jenna comes to us from a local law firm where she has worked as a Corporate Law Clerk. Jenna has more than 15 years' experience in administrative roles in legal, WSIB and in several other industries. Jenna will begin her new role on September 9, 2024. She will be located in Room 3032 at Thunder Bay Regional Health Sciences Centre and can be contacted at 807-684-6008 or jenna.grant@tbh.net. Please welcome Jenna!
