Conducting Research with Indigenous Community Partners in a Good Way

March 27, 2025

10:00 am - 11:30 am

Zoom

A panel discussion featuring Indigenous community partners, Indigenous researchers, and non-Indigenous researchers. Learn about the importance of relationship-building and how researchers and Indigenous community partners have worked together in a good way.

Dr. Susan Chiblow, Assistant Professor, School of Environmental Sciences, University of Guelph.

Audrey Gilbeau, Executive Director, Nookiwin Tribal Council.

Dr. Lindsay Galway, Associate Professor, Department of Health Sciences; Canada Research Chair in Social-Ecological Health (Tier 2), Lakehead University.

Dr. Vicki Kristman, Professor, Department of Health Sciences; Director and Senior Scientist, EPID@Work Research Institute, Lakehead University.

Moderator: **Dr. Nicole Westlund Stewart**, Research and Knowledge Mobilization Facilitator, Office of Research Services.
