

# Microsoft 365 Coming Fall 2025!

Thunder Bay Regional Health Sciences Centre is excited to announce that our Hospital will be transitioning from Office 2016 to Microsoft 365 (M365).

## Latest Software

Office 2016 products (Word, Excel, PowerPoint, Access) are upgrading to M365.

## Seamless Integration

Microsoft Teams will replace Webex, allowing seamless integration across M365 products.

## Cloud-based Storage

Files are moving to the cloud, enabling easy access and backup capabilities with OneDrive and SharePoint.

## Enhanced Collaboration

Easy document sharing features and simultaneous file editing capabilities, allowing for real-time collaboration with your team.

We are confident that this transition will bring significant improvements to workflows and collaboration.

Stay tuned for future communications with updates. If you have any questions, please contact the Help Desk at [Help.Desk@tbh.net](mailto:Help.Desk@tbh.net).
