

Quality Huddle Excellence Awards

This event will celebrate the contributions of our colleagues who implemented Quality Huddles in 2024. We will showcase achievements in several key areas including Patient and Family-Centred Care, Staff Experience, Workflow Improvement, Teamwork and Collaboration, and Safety.

During the awards ceremony, we will be recognizing teams along with their creative change ideas which have made a significant impact in the above categories. **Pizza, cupcakes, and refreshments will be provided.**

We encourage you to join us for this occasion to acknowledge and celebrate our collective efforts and successes. If you are able, please come 10-15 minutes early to grab some treats and pick a seat.
