Thursday, December 4th - Friday, December 5th 2025

Location: Auditorium A - 3rd Floor at TBRHSC

The Emergency Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation Provider Unit # P0232.

The Emergency Nurses Association is approved by the California Board of Registered Nursing, Provider #2322.

This 6th edition ENPC provider course has been approved for 18.25 contact hours for RNs.

In accordance with the Americans with Disabilities Act, please advise the course director if you have any disability that requires special materials and/or services so appropriate personnel can be advised.

REGISTRATION NOW OPEN!

Registration available through Eventbrite link or QR code:

<https://tinyurl.com/3p2f5ah5>

Cost:

Department Funded for nursing staff in:
ED, ICU and Paediatric Departments

\$500 for external participants

Pre-Requisites:

Participants must be an RN and possess a current unrestricted nursing license to receive verification.

Introduction:

70% of pediatric emergencies are treated in emergency departments that care for fewer than 5,000 children per year. ENA strives to equip every emergency nurse with the knowledge and assessment skills necessary to recognize a critically ill or injured child and provide stabilizing interventions.

Cancellation Policy:

If your cancellation is received less than 2 weeks prior to the course start date, 50% of the course fee will be charged to your credit card.

Contact the certificate course admin at TBRHSC.CertificateCourse@tbh.net or call ext. 4684 or 6250 additional information.

The Emergency Nursing Pediatric Course (ENPC) is a one and a half day course developed by the Emergency Nurses Association to enable nurses to provide high-quality care for this unique patient population. The goal of ENPC is to improve pediatric patient outcomes by providing nurses with foundational knowledge, skills, and a systematic Pediatric Nursing Process (PNP) to guide patient care.

Verification of successful course completion is awarded after passing the written exam and the PNP psychomotor skills station. Verification as an ENPC Provider is valid for four years.
