

# Fetal Health Surveillance (FHS) Workshop

The course is intended for practitioners including nurses (RN priority), nurse practitioners, physicians, registered midwives, and residents who want to learn the current fundamental concepts related to fetal health surveillance. You are required to complete the following two activities:

1. Read the free online Fundamentals of Fetal Health Surveillance – A Self-Learning Manual; and
2. Successfully complete the online Canadian Fetal Health Surveillance Program Exam.

**Date:**

**Friday,  
June 26,  
2026**

**Time:**

8:30 a.m.- 4:30 p.m

**Location:**

**Auditorium B**  
(Level 3)  
TBRHSC

**Cost: \$250**

Payment information is required for all registrants; however, the workshop fee will be waived for nursing staff within the Women and Children's Program.
