Bay Commandery of the OLJ*

**SUSTAINABLE  
DEVELOPMENT GOALS**

# PALLIATIVE CARE ETHICS: EXPLORING CONSCIOUS DYING

- Explore the principles of a concept known as conscious dying.
- Consider how these principles can contribute to supporting the ethics of quality palliative care practices.
- Also consider, how these principles can be applied to nursing practice across diverse health care settings.
- Discuss the value of receiving training in conscious dying with a Caritas Conscious Dying Coach.
