RE: Announcement – Assistant Manager Physical Plant & Mechanical

I am pleased to announce that Scott Fraser has accepted the position of Assistant Manager Physical Plant & Mechanical effective June 9,2026.

Scott will contribute with over 20 years of private sector experience including team leadership, staff Supervision, equipment diagnostics, repairs and preventative / corrective maintenance.

Prior to joining TBRHSC, Scott's employment included Toromont CAT Heavy Equipment Technician and Lead Hand - Heavy Equipment Technician (Mining Division).

Scott's training includes Canadian Red Seal Certification for Heavy Duty Equipment Technician, various Health & Safety and First Aid Courses.

Scott Fraser will be training with the current Assistant Manager Physical Plant & Mechanical (Arnold Bylund, Arnold retires June 26,2026).

Please join me in congratulating Scott on his new role. He can be reached at Scott.Fraser@tbh.net and at TBRHSC extension 6356.
