THUNDER BAY REGIONAL HEALTH SCIENCES CENTRE CALL FOR INTERNAL APPLICANTS

Medical Director, Emergency Medicine Temporary 6 month contract

The Opportunity

Working in a program management model and reporting to the Vice President, Medical Affairs, the Medical Director, Emergency Medicine, works in partnership with the Director of Pre-hospital, Emergency and Critical Care Services to lead the program of Emergency Medicine at the Thunder Bay Regional Health Sciences Centre.

The Medical Director is responsible for advancing the program's clinical vision, strategic priorities, and quality performance metrics. The Medical Director works collaboratively with physician leaders, administrative leadership, and partners to support program performance, evidence-informed practice, quality improvement metrics, patient flow, and ensuring services align with Hospital goals and evolving community/regional needs.

While the Medical Director, Emergency Medicine does not report to the Chief of Emergency/Trauma, they maintain collaborative and ongoing communication with the Chief. The Medical Director will keep the Chief informed of program directions, operational decisions, and initiatives that may have a material impact on the Department and will work in partnership to support the effective delivery of Emergency Medicine.

A full role description is available upon request.

Interested applicants are invited to forward their curriculum vitae and cover letter, in confidence, by:

June 11th, 2026 at 1600 hours to:
