

We encourage all staff to take part in recognizing the preceptors who support learning and growth within our organization.

Preceptor Recognition Program

The Preceptor Recognition Program is a research initiative aimed at celebrating and supporting the critical role Nursing and Health Professions preceptors play across Thunder Bay Regional Health Sciences Centre. Preceptors are essential to the onboarding of new staff and the supervision of students, providing guidance, feedback, and role modeling that support a safe and confident transition into practice.

Coffee-Gram Recognition

To participate in the Coffee-Gram Recognition, please reach out to your Unit/Department Manager.

Preceptor of the Month

Located on the Interprofessional Education department page, fill out nomination form for a preceptor who deserves to be recognized.

Preceptor "Thumbs Up" Page

Located at the top of the iNtranet under the Thumps up tab, submit a thumbs up for a preceptor.

If you have any questions or would like to participate, please contact: **Brittney McLaughlin** – Brittney.McLaughlin@tbh.net or **Kaleigh Stezenko** – Kaleigh.Stezenko@tbh.net
