Open Doors Career Showcase

Inspiring the Future of Health Care

The Open Doors Career Showcase offers a variety of career paths across all professions and departments at TBRHSC.

Attend to hear from professionals in the field and take the opportunity to tour different departments, as well as meet representatives from our educational partners!

Whether you're:

- A high school student evaluating future educational opportunities.
- A college or university student seeking practical career options.
- A professional contemplating a career change.
- An individual without formal education exploring available pathways.
